Thank you on April 9-14!

The good news is you can look around at all the humans walking around and know it all worked out just fine for the moms who have done it before...really good chance it will all 'come ou't OK for you too! (but I know...I get it...! Try not to worry though...it's not good for ya!)

:)

Hi [REDACTED]

Of course! I will be around =)

Yea - still waiting to see what's going on with this Canada trip!

I feel great! It's not terrible being pregnant anymore lol yes, the bump is there but it's still hidden under winter clothes and jackets ;)

Due June 18 (kind of freaking out but keeping my cool lol. I constantly think about HOW it's going to come out of there haha)
