I believe he was here (Mitchell) when Jeffrey was and they spoke, he will be seeing patients in our office on Tuesdays and Wednesdays for cosmetic purposes. I'm not sure what Dangene intended but she asked me to set up the appointment...

hmmm, do you think there is a particular reason Jeffrey wanted to see Dr. Kline in your office? I know he has been to see Dr. Kline in his own office in the past...? Just makes me wonder if there is a *reason* to see him at yours ??

Another option is to see Dr. Kline in his office? Otherwise we are happy to see him

Hi [REDACTED]

Unfortunately the doctor is only here on Tuesdays and Wednesdays. Do any of those days work for his schedule in the upcoming weeks?
