Yes. We planed to ski alone but accidentally met him on the slope, he invited to ski on the new track ( the longer one) and we joined him and the group, we did 2 tracks and went finish. so we were skiing even not the whole day, I guess smth like 2 hours maximum, because than we went to Aspen.

it's not even honest that they want to charge us.

Thank you Lesley!!

Hello, Lesley! How are you?

I got this message from Aspen... what would be better to do in this situation, should I pay? As I remember, you paid for 2 days of ski with instructor and on the third day he caught us on the slope and

invited to join the group again ( as I understand now it was not for free...:)

Let me know please.  
Thank you!!!
