Dear [REDACTED],

We will be glad to have Mr. Epstein and his friend (name?) join us for the event.

I will place them on the list, so they just have to come to the Garden and enter Ross Hall and -- if they wish --ask some interesting questions!

Kind regards,

Vanessa

Dear Martin, I am sure there are still spaces. It is by ticket, through

the NYBG. Given the circumstances, the best person to contact would be Dr Vanessa Sellers, copied in above. I hope to see him there!, very best to you, Janet

Dear Janet,

My friend, Jeffrey Epstein, would love to attend your symposium on "Plant Intelligence" in New York.

Jeffrey lives in New York and does much philanthropic support of sciences.

He has supported projects at Harvard, MIT and other places.

Is there any chance he could attend?

Please let me know.

Best wishes

Martin
