Dear Martin, I am sure there are still spaces. It is by ticket, through the NYBG. Given the circumstances, the best person to contact would be Dr Vanessa Sellers, copied in above. I hope to see him there!, very best to you, Janet

Dear Janet,

My friend, Jeffrey Epstein, would love to attend your symposium on "Plant Intelligence" in New York.

Jeffrey lives in New York and does much philanthropic support of sciences.

He has supported projects at Harvard, MIT and other places.

Is there any chance he could attend?

Please let me know.

Best wishes
Martin
