Daphne, will JE be able to hold a meeting at STC? I am not sure of the status of the office there?! (I hope it is all up and running!)

I have heard nothing, and C is also not aware of any confirmed or unconfirmed, but we will both stand by in the event we have to reach out. Kind regards, DW

Hi Daphne...I heard Jeffrey mentioning a meeting with Gov. Mapp ...and then he mumbled something about trying to make it earlier...do you have any info on this so I may include on his itinerary? (he said something about 27th?)

I know Jeffrey is planning to depart early on 26th from NY to the island and stay until Wed. March 28th evening...as you know Ramon and his team are arriving on Tues. March

27...I'm trying to make an appointment for JE with
Erika for 26th or 27th...will keep you posted.

:)
