Hi Lesley,

Martin unfortunately does not know Janet Browne, but we did find her contact information (<https://histsci.fas.harvard.edu/people/janet-browne>) and Martin is reaching out to see if she might have additional tickets. We will keep you updated!

Hi Lesley,

Membership forwarded your inquiry to me. Unfortunately, the Plant Intelligence Symposium is completely sold out, even for members. I am happy to add your name to our waitlist, but this list is around 50 long at the moment.

Please feel free to call us at the Registration Office at [REDACTED] with any further questions.

Thank you,  
Jillian

Hello...We would like to attend the Symposium on Plant Intelligence on March 22.  
If we become members will we be able to attend the event or  
is it already 'sold out'? I try to click on the "member" button  
but the website does not allow me to do so. Is it wait list  
only?

I look forward to hearing back from you.

Thank you,  
Lesley
