**Subject:** JE meeting w/Gov. Mapp?

Hi Daphne...I heard Jeffrey mentioning a meeting with Gov. Mapp ...and then he mumbled something about trying to make it earlier...do you have any info on this so I may include on his itinerary? (he said something about 27th?)

I know Jeffrey is planning to depart early on 26th from NY to the island and stay until Wed. March 28th evening...as you know Ramon and his team are arriving on Tues. March 27...I'm trying to make an appointment for JE with Erika for 26th or 27th...will keep you posted.
