The actual photograph is grainy...maybe not as grainy as the pdf of the photo, but still grainy....I  
can fed ex the real photo to you...maybe that would be the best? In the meantime, can  
you quote a price for me? (I will ask Jeffrey if he would like the portrait  
enhanced...would this affect the price?)

Hi Lesley,  
Good hearing from you.

The pdf. of the photo sent to us is out of focus and grainy,  
would you like the oil painting portrait to remain that way?  
Or would you like the portrait to be enhanced.

Do you perhaps have a jpg of the image.

Please let me know either way.

Rita
