For some reason, the key card to Martin's office is not in my desk drawer...whoever had it last must not have put it back...I contacted Martin and his assistant Katherine ...Below is Katherine's reply ...Katherine's cell [REDACTED]

Hi Lesley,

Martin will be able to give them an extra card tomorrow. If he is not already there when they arrive, they should be able to ask the lobby attendant to let them up to the 6th floor.

All the best,

It is in an envelope in my right hand desk drawer...the envelope says "Key to Martin Nowak's Office" (or something like that)...if you are not going to the house we will need to have Jojo bring to the airport tomorrow and hand to you. Let me know
