I understand we will need to pay for shipping....but is it OK for me to tell you the final destination once it is finished?

It is important to know, the colors, shading and values will remain the same as the photograph sent for the oil portrait to be created. Will do the best to capture the essence of the subject.

Will send PayPal invoice for the, smoother portrait no grain at \$595.00

Shipping costs are additional. What is the shipping address?

Actual photo not necessary, but a jpg. would be good. Thank you.
