My Amex rep just called me concerned [REDACTED] as russian citizen with Russian passport needs a visa to come to US. This being said she also said she doesn't know [REDACTED] personal info, maybe she already has one or has another passport or different status as she is a student in London. My rep suggested [REDACTED] call The US embassy herself in London since she has all her own info and ask. I only pass this on to you for 'just in Case'. You are usually omnipotent with these things! Also, I am working on the other 2 round trip ideas you sent me for [REDACTED] Will let you know shortly.
