Sounds like fun!  
I'm sure everything will be great!  
What dates are you going?

Ah. Ok. Maybe I have the emails go to Bebe then as I have done in the past.  
I will be at Disney World so very busy!  
I will keep me phone with me but hoping to try and focus on my family. I'll be available of course if I'm needed. Also going to Sarasota to visit my in laws. We will go deep sea fishing ◆ !!

Sure, great!  
I'm not sure if he wants me to deal with email, it's a

completely different level.. I hope he will let us know what to do

but the phone for sure!

Are you traveling next week? Will be unavailable?

Hi [REDACTED] How nice Jeffrey wants you to fill in!! I am not at the house today. I will send you his itinerary and let you know of anything that is important I promise. Let me get things together. I will also set up an "out of office" on my email and direct people to contact you. We can have a phone conversation later. Don't worry! You will do great! [REDACTED]
