Good morning,

He may have forgotten her but she was one of his model friends. When she came in, he did acknowledge knowing her. Enclosed is her email so you can be in touch with her. Can you please work it out with her as she claims he agreed to paying for the procedure? Below is the email she sent us as well.

From [REDACTED]

"Hello Dr.Steven,

Yes, I do remember it was 5 years ago when I visited New York.

You surprised me very much!

Mr.Jeffrey Epstein took the responsibility to take care of all the bills and sended me to your clinic..

I would never have gone to such a high-class clinic myself especially in New York..its a very expensive for me!
I'm always knew that American medicine is very expensive in comparison with the Russian.

I'm sorry but you must deal with Mr.Epstein. I do not know who agreed my visit with him at your clinic.

I do not keep in touch with him for many years.

Hopefully you can understand me.

All the best,
Valeriya"

Thank you.

Daniel

Good morning Daniel. I have received the numerous phone calls and messages and did pass along to Jeffrey Re the email/fax Dr Krueger sent over a couple of weeks ago. Jeffrey does not know this person who is claiming to know him. I'm so very sorry but I really can do nothing more on this. I just called the office and left this same message.

Thanks and have a good day.
