Hi [REDACTED]!

Spoke to Dr. Kaplin's office today because they called looking for (at the STC office - weird) but it was regarding this email that he said he faxed to you a couple of days ago ([REDACTED]). I told them you were out this week and to fwd me whatever he needed JE to see and so he did. See below. I gave it to Rich and he is going to bring it to JE's attention when they go to the house tomorrow.

Thanks!

Hello Dr. Steven,

Yes, I do remember it was 5 years ago when I visited New York.

You surprised me very much!

Mr.Jeffrey Epstein took the responsibility to take care of all the bills and
sended me to your clinic..

I would never have gone to such a high-class clinic myself especially in New
York..its a very expensive for me! I'm always knew that
American medicine is very expensive in comparison with
the Russian.

I'm sorry but you must deal with Mr.Epstein. I do not know who agreed my
visit with him at your clinic.

I do not keep in touch with him for many years.

Hopefully you can understand me.

All the best,
Valeriya

Hi Ms. Planidina,
I hope all is well. I've been trying to get in touch with you over the years but to no avail. Hopefully you remember that Dr. Magnani sent you to me for a redo of your root canal on the upper left because you were in pain and the root canal was failing. I spent a lot of time treating the tooth and saved it. You told me Mr. Jeffrey Epstein was going to pay for your bill but when we sent it to him, he said that he wasn't involved and refused to pay. So I did the work and never got paid. The fee for the redo of the failed root canal was \$2800. Can you please let me know how this will be paid?

All the best,

Steven D. Kaplan, D.M.D
