After we landed yesterday, I noticed the -#3 L/H window shade was not closing properly, there was a binding noise during operation.

Not sure if you had issues during flight?

Pete located the operation Manuel and parts book for the window shade, Chevron provided us.,

The part is located in Boca,, I'll pick up the part if it's stock and Fedex to Pete for install Thursday, Pete is attempting to do a temporary repair if you decide to depart Thursday,.
