Dear Lesley

Thank you so much .

I leave on the 4 May so practically this will not work for me, hopefully I will be settled in by that time.
I would like to thank you /Jeffrey nevertheless for the offer.

Antony Barrett has a studio in his building which he has kindly offered to accommodate me for the time I am there.

If anything changes please let me know.

Adam my son might be flying in too for Paul's son Jasons' Barmitzva so it is a large gathering of the Barrett clan!!

I am still hoping to meet up with
Jeffrey if you could arrange something with him/ his diary @ let me know.

Warm wishes,
Aldine

On May 2 please know you may stay in apartment 2G at 301 East 66th Street (corner of 66th and 2nd Ave) The code to 2G is 7364 (there is no key to the apartment it is a key pad on the door). The doorman will have a welcome letter for you. I understand you will depart on May 4th...please let me know your approximate departure time from the apartment so I can set up the maid service!
