Hi thanks for your candid response.

I would be scheduling a flight a lot earlier than originally planned in order for George to come to meet with Jeffrey in NY. Maybe best to wait for another opportunity for them both to connect. There could also be the option once I've booked the flights if I have George arrive early enough to check in at 3:00PM they could meet at the hotel he is staying at:

Thoughts?

Hi Emma...Thank you for letting me know about the 6th...Re the 21st, Jeffrey's plans are always fluid ...he changes them a lot! I don't want you to make special plans for George to be here if he does not need to be! I'm pretty sure Jeffrey will be in NY and am keeping 12:30-1:30pm set aside for George...but if Jeffrey diverts from the intended schedule, I don't want to screw things up for you! What is best?

I have had an opportunity to follow up with George regarding connecting on Sunday May 6th, he is not available due to family commitments.

Did you want to go ahead and confirm May, 21st at Jeffrey's home in NY 12:30PM -1:30PM?

I will plan to book the flights by the end of this week beginning of next week so confirmation would be great,

Thanks

Hope that makes sense.

Emma, how long will George be in NY? If he is there on May 3 perhaps Jeffrey and George could meet in NY instead!?
