It does not. Just if sergey needed to put something on letter I wanted it to match my visa application. But I don't think he needs to include. I will let you know which one we go with just in case.

Hi Les,

Four seasons or Ritz in Moscow, I don't think it matters, right?

Hi [REDACTED]. Jeffrey did not give me dates to reapply for his Russian visa...lets just use May 28-31 for now...I will have a round trip ticket purchased...can you suggest a hotel? Sergey may have to include the hotel and address in the letter? not sure...but I know I need it for the visa application.
