Hi Capitan Dan,

The first wave of my grandkids have arrived and they are excited about our fishing trip on Thursday, April 12, 2018.

What time should we meet you at Nokomis Beach Boat Ramp at [REDACTED] [REDACTED] 34275 for the afternoon fishing trip? From you other e-mails, we should be there about 12:30 PM. Is this still correct?

By the way, what is the name of your boat? That is how we found you before.

We plan to pay you in cash if that is okay.

If you need to contact me for any reason, please use one of the following:

e-mail [REDACTED]

home phone [REDACTED]

cell phone [REDACTED]

We are looking forward to our trip.

Thanks,

Hi Capitan Dan,

My family is coming to town and have asked for me to arrange fishing for 4 hours in the afternoon on Thursday April 12, 2018.

We had such a good time before with you and would like to have another great experience. It was too bad that the wind kept us off the gulf last year.

I note that your website says you can take up to six.

Please let me know if Thursday, April 12 in the afternoon is available.

Thank you,
