Hi [REDACTED]

We're in Las Vegas. I haven't seen her yet this morning, but I'm sure she's up by now. Have him try her on either cell.. [REDACTED]

She is avail until 9:30am PST.

If he doesn't reach her now, let me know and I'll find another time today.

Thanks,
Lila

you let me know? (also, I keep calling the office but the phone just rings and
rings..no answer!?)
