Hi thanks for your candid response.

I would be scheduling a flight a lot earlier than originally planned in order for George to come to meet with Jeffrey in NY. Maybe best to wait for another opportunity for them both to connect. There could also be the option once I've booked the flights if I have George arrive early enough to check in at 3:00PM they could meet at the hotel he is staying at:

140 Washington Street  
New York, New York  
10006

Thoughts?

Emma

Hi Emma...Thank you for letting me know about the 6th...Re the 21st, Jeffrey's plans are always fluid ...he changes them a lot! I don't want you to make special plans for George to be here if he does not need to be! I'm pretty sure Jeffrey will be in NY and am keeping 12:30-1:30pm set aside for George...but if Jeffrey diverts from the intended schedule, I don't want to screw things up for you! What is best?

Hi [REDACTED]

I have had an opportunity to follow up with George regarding connecting on Sunday May 6<sup>th</sup>, he is not available due to family commitments.

Did you want to go ahead and confirm May, 21<sup>st</sup> at Jeffrey's home in NY 12:30PM -1:30PM?

I will plan to book the flights by the end of this week beginning of next week so confirmation would be great,

Thanks

That could work. Let's pencil it in and I'll check with George.

He will most likely be traveling with Ting his wife would the  
invitation be extended to her?

Jeffrey would be happy to have  
him for lunch...

Sorry, I think you mis-understood George's availability.

George has an afternoon commitment. He would only be  
available mid-  
morning /early  
afternoon (before I  
would say  
2:30PM). He will  
be checking into a  
hotel around  
3:00PM - they  
could meet there in  
the lobby:

140 Washington Street  
Between Albany and Cedar Streets  
New York, New York 10006

OR somewhere else earlier.

He will depart first flight May 22nd and not available to  
meet on that date.

Hope that makes sense.

Thanks  
Emma
