Hi [REDACTED]

good to hear from you. 4 pm on Sunday should work fine for me.
I remember from the last time I need access card to get up the stairs or some phone number to call to be picked up.

best

Hello Leonard. Jeffrey Epstein will be up at Harvard this Sunday May 6th and is wondering if you might be around and available to come meet with him at Martin Nowak's Institute at 1 Brattle Square, Suite 6. If so, might 4pm work for you?

Please let me know.

Thank you,
