Yes, I was jealous of all his fun on our wedding day lol

Initially I wasn't going to have a baby shower - I was like I can manage to buy the important things I need (car seat, stroller, crib, etc.) and so my mom insisted she throw me a small brunch lol so I registered for little things on Amazon. Nothing crazy - few bottles, towels, bibs - I don't know what else I NEED NEED. So just winging it haha
