Hi [REDACTED]

I was able to get it changed to the 320PM ! The confirmation is on its way....same locator with us TTSCJH and with Air France RJZYIT.

Hi Paige and thank you for following up with me. I totally realize this was not your fault yesterday and very much appreciate your help. Unbelievable the wait time with Rail Europe! Sounds like they have lots of issues! Not only with the poor website but with a strike!

I am still waiting to hear from our traveler to see what happened. As soon as I get the details I will let you know. Thanks so much [REDACTED]

Good Morning [REDACTED]

I wish to follow up with you today regarding the Rail Europe ticket. Can you please advise how much was paid for the new ticket and if all went okay for the passenger at the train station ? Lisa finally got through to Rail Europe at about 7 pm EST last night. It was a 4 hour hold, and they said this was due to rail strikes !

They would not refund the original ticket for us, but advised us to file a complaint online which we will do.

I will credit the difference due to your inconvenience and poor service for Rail Europe since we assisted with the ticket.

Have a great day !

YES, please CHANGE the ticket for the 50EUR! The train departing at 7:55am arriving Paris 11:17am is perfect. (My boss is asking me for this ticket! I am hoping you can get to me quickly) Can you send me the train #?
-Re the return train ticket she will not use..I assume we need to make the exchange prior to the date of travel? I am not sure when she will need another ticket...I assume it also needs to be from Paris to London?

Hello [REDACTED]
Thank you for your patience in the Rail Europe ticket. My colleague is still on hold with Rail Europe.
I can tell you there is a train at 755am arriving in Paris at 1117am. So, if it is just 50EUR, shall I make this change ? It appears the return is non-refundable, however, if she plans to make a change/exchange, it may be possible to exchange it the return ticket as well. Please advise.

Hello [REDACTED]

I have both tickets showing issued. The ticket for [REDACTED] increased by 28.00 by the time I held the refundable from time I quoted the flight. If this is problem I can see what can be done for a credit, but I did not want to take a chance in losing this fare so issued immediately. My colleague is holding now for Rail Europe and we will have you an answer shortly !

Hi [REDACTED]

I have the flight on hold for [REDACTED] and would be happy to issue. Do you wish to purchase refundable or nonrefundable that was quoted ?

I am sorry but had to hang up with Rail Europe after 2 hours on hold. My manager is going to have one of our support staff call them back shortly. We should have an answer to you by 5pm EST.

Also, regarding Natasha's fill in, Kathy, the Associate RM, is technically is her supporting her while she is out, but is off Wed/Thurs and works Sat/Sun. I am Natasha's Buddy RM on the team and second in line to take her calls, then they would go to our usual back up team. For emails, if you have an urgent request you should email centurionsupport@centurion.com when she is away.

Hello █████

The hold time with Rail Europe is 40 minutes so I am currently on hold to change the ticket for 05APR as requested, so I will also see if we can get credit for return. Regarding the new flight booking I will have a proposal for you shortly as well as word on Rail Europe as soon as I get through.
