Would Aug be better? Not trying to drive you crazy it's just Jeffrey didn't go be me an exact date to change to. He just said to change it. Which means to me we will need to change again when we do have an exact date. So perhaps Aug is better anyway so we have more time to figure out. I don't want to change 5 times and keep spending his money! Let me know. August any date that is not expensive. We understand we have to pay the change fee regardless

It is simply can't be even exchange, due to fare has change fee, but for July also difference in fare. Due to seasonality. Ok to change to July 5?

No, we can only change return flight to something else, has to be done at the same time - canceling and re-booking. By the way, she is checked in to the flight.
