Subject: Check Ehud's apt

Reminder. Please check on Ehud's apt and make sure All is in order prior to their arrival. They will be back early May 2.

[REDACTED] we will need flowers and food set inside their apt also. Might you be available to do this on May 1? We need to have [REDACTED] disarm the alarm so if the cleaning check up and the flower/food could all be done May 1 we can ask [REDACTED] to disarm this one day. Please everyone let me know if this works. Thanks
