Hello [REDACTED]

Thank you for your patience in the Rail Europe ticket. My colleague is still on hold with Rail Europe.

I can tell you there is a train at 755am arriving in Paris at 1117am. So, if it is just 50EUR, shall I make this change? However, if she plans to make a change/exchange, it may be possible to exchange it the return ticket as well.

I have both tickets showing issued. The ticket for [REDACTED] increased by 28.00 by the time I held the refundable problem I can see what can be done for a credit, but I did not want to take a chance in losing this fare so issued. My colleague is holding now for Rail Europe and we will have you an answer shortly!

I am sorry but had to hang up with Rail Europe after 2 hours on hold. My manager is going to have one of our

Also, regarding Natasha's fill in, Kathy, the Associate RM, is technically her supporting her while she is out.  
Natasha's Buddy RM on the team and second in line to take her calls, then they would go to our usual back up.  
request you should email [REDACTED] when she is away.
