Reminder. Please check on Ehud's apt and make sure All is in order prior to their arrival. They will be back early May 2.

[REDACTED] we will need flowers and food set inside their apt also. Might you be available to do this on May 1? We need to have Nili disarm the alarm so if the cleaning check up and the flower/food could all be done May 1 we can ask Nili to disarm this one day. Please everyone let me know if this works. Thanks
