Morning! Following up on the email I sent you yesterday! Would it be possible for you to send me a picture of your ID for Ehud?

Hi Andrew...Ehud and Nili need to give their security detail the names and ID's of the 6 people who most likely access their apartment when they are not around. I wanted to include you on the list to ease the process of maintenance. Might you be able to send me a copy of your Driver's License (or other form of ID with a picture) so I can provide to Nili?

Please let me know. She needs the list and ID's this week.

Thanks [REDACTED]
