ok, then that is what she is asking..if we can pay more and upgrade her ticket to the Flex so she can then upgrade even more with miles...I will have to ask Jeffrey. We paid \$1076.81...so it would be a difference of \$391.20, yes?

Hi Natasha... [REDACTED] will keep the flight as is...she is asking if she will be able to upgrade her ticket with miles...do we have to purchase a certain type of ticket to do this? Can she just go on line herself and take care of upgrading herself? I would think so...but I am not sure if the original ticket we purchase must be of some level (the economy flex level?)

The only question about Aeroflot flights may it be economy flex? I will be able upgrade it with miles
