OK, due to strike AF can refund unused portion only if flight cancelled (they should know 24 hours prior to departure).

To re-protect without any fees they can only also in case of flight cancellation and they can re-protect with Delta KLM only (nothing with one stop).

If you want to change return to May 5 now, that is considering voluntary changes , will cost \$151.00

Can you give me pricing on another flight for her? Also, give me option for morning of May
