Donald finished his work at the house...I'm sure you saw I wrote the check and left for G to give to him...we did not inspect it, but I'm sure if there is something you think he needs to do, he will come back.

Rob the plumber finished his work...new valve installed this am...he will send me an invoice.

Window is on order but takes 5-6 weeks...we will need Donald to paint it...Donald said it won't be a problem..

Donald said he would be able to start the work at our house in a week...we will need good weather for him to re stain all the doors...
