Hi [REDACTED]

I'm sorry I wasn't around today and didn't look at my emails. Let me know if Donald has another time.

Thanks,
nancy

Hi Nancy. Donald can start the project on Monday June 4th morning. Might you be around today so Donald could stop by, sign the work order and get the 50% down check from you? Donald is working on NC today and says he can stop over later. Let me know! [REDACTED]

Morning Nancy. I sent the work order to Donald. He says for the extra post, anchoring in cement and labor with be \$200 more. so \$1175.00 for the entire job! He will get back to me re when they can start the project. I will make sure he signs the work order and we will need to issue the 50% deposit. I'll be in touch...thanks, [REDACTED]

Nancy Jordan has attached the following document:

Mailbox Structure

Hi [REDACTED]

Attached is the work order for the mailboxes. Look it over to see if I've included everything. You may want to ask for a new quote knowing that we will need an additional post for signage. I'll be interested in knowing what the new quote is.

Thanks for everything!

Nancy
