Below World Cup Trip for [REDACTED] will be around \$6000 (not including meals, taxis, tips, etc) I had an agency put together a trip and they quoted \$35,000! We would need to purchase the same for [REDACTED] to go as well...**OK to proceed with booking this trip for [REDACTED]?** ([REDACTED] says she may be able to get tix to 2 of the games through her sister...but she is not positive)

478.27

367.07

373.05

261.85

\$1480.24 total Air

306x5= \$1530

129.36x2= \$258.72

333x5= \$1665

\$3453.72 Total Hotel/Airbnb

\$4833.96 + taxes...so around \$5300 total?

Tickets for 3 averaging \$200 each...\$600 total?

about \$6000 for the entire trip (not including meals, taxis, tips, etc) Also we need to add [REDACTED] in!
