For sure. The couple of weeks since Jeffrey called has been crazy due to a backlog of presentations for another Aman in Baja California. I am praying that this will end soon to allow me to carry on with other work!

Dear [REDACTED]
My trip to San Francisco is super fast as I have to be back in London for Wednesday afternoon for another appointment, so unfortunately stopping by New York this trip is not possible. I will look up and study the glamorous Chateau l'Horizon in Cannes.

Dear [REDACTED]
Huge apologies to Jeffrey and I should have kept him informed about progress. I am currently preparing for a resort presentation in San Francisco for Monday and Tuesday next week. Once I get that done, I will be on Jeffrey's house!
