Absolutely!!!

That's terrific!

I will work on this. . . . if you agree:

- 1.) I'll forward digital samples / recommendations for you to look at online in order to get a general sense of your style
- 2.) You guys provide me feedback
- 3.) I'll order actual samples to bring into the office and I can sit down with all of you to hammer out details

Sound good?

What is your timeline?

Thanks SO much!

Hello [REDACTED]

My partners and I were wondering if you could come in and meet us. We want to get some promotional products that we can hand out to clients and friends.

We are not really sure what we want. We can chat about it but maybe a selection of various items you have seen with some price ranges of \$20 to \$100.

This might include hats, vests, polo shirts, coffee cups, ect ect.
