Hello Anthony and Andrew...I have emailed several times and left a voice mail for Andrew and yet to hear back re the below:

-when can the AC be fixed in apt 3M...we wanted it done June 7,8, 11 or 12...would like it completed by June 13 before occupant returns from her travels. I need to schedule our man Leo at the same time...might there be a time that is convenient for you?

-where are we with the window issue in 11J, Ehud's apartment...they will be away for about a month so we have some time to fix/replace it..please let me know. We will need to coordinate with Nili due to the alarm on apt.

Look forward to hearing back quickly.

Thanks,
