Hi [REDACTED]

I want to visit Washington for four days of my vacation from 20th to 23rd and we prefer to travel by train. Therefore, I would like to request you for the train ticket and hotel booking for us. We are three adults and one kid (4yrs old). We want to travel on 20th to Washington and leave on 23rd to NY.

Thank you so much  
Sonam

Hi Sonam! Jeffrey says to please take vacation June 20-28....he knows you wish to go to Washington with your family for some of these days and will pay for the trip! Just let me know what you wish to do. You may take off the other days you are not in Washington and should be back at the house June 28 for his intended arrival June 29.
