I don't need to. I figured since the flights all connect, see somewhere I have never been but again I don't need to. Everything else is making 2 stops and flying from NY to Rome was direct. I think my cookies are causing the price to be insane now,
I just checked flights from LGA to Split (see below) it jumped from \$1449.20 to \$2,959.89

I will try to keep looking.
