No joke! I'm sure that doesn't happen. But when you look at the statement does it show who the ticket is for? Is the last name given? I plan to tell him about my trip tomorrow morning but didn't want between now and then to be an issue.

purchased tickets in my name? Does that show up on the statement? I wasn't  
going to say anything but I don't want him to think I am purchasing tickets with  
his money and not paying him back! but if names aren't attached then I don't  
need to mention?

Jeffrey's account as they are very complicated and [REDACTED] is traveling with another  
family at one point (unaccompanied minor issues need to be dealt with etc)...I  
will send you a check for the entire amount and break down for you once it is all  
complete. I still have another piece of the puzzle to figure out. Wanted to  
give you the heads up! :)
