Can we move our call to 12:30pm? I have a meeting at 10am that may run long. If that doesn't work, I will make myself available at noon.

Richard,

I understand a call has been scheduled for noon (Eastern time) today. I look forward to speaking.

Does Noam plan to participate in the call? If so, Harry will participate as well (and we should circulate a call-in number – do you have one you'd like to use?). If Noam does not plan to participate, you and I can proceed on our own.

Regards,  
Jillian
