Ok let me pass along to the Visa People. I'm wondering if they can't use a smaller font for the document?

Hi Les,

I got the reply that if they do it on one page, their logo wouldn't fit. Please advice

HI [REDACTED]...please find attached the Russian Invitation letter with indicated changes that should be made (in Russian!) Please note that we have been told the letter should not be more than one page in length as well. Please send back to me once the changes have been made...we will reconfirm it is correct, then have it signed and dated, thanks, Lesley
