Tell Jeffrey is is a raw image of my pencil sketch that I still need to clean up and colour. He should be able to see what designs I am thinking of and if he hates it I can stop and do something else! Hopefully he will like it and I carry on with the colouring!

Dear Lesley  
I did the base sketch drawing (see attached in very raw format) this weekend but I  
need to get it scanned and coloured.

Dear Lesley  
I think I have got an idea but it is quite radical for Great St James! I will need this weekend to complete the sketch idea and hopefully get it scanned and sent over for Jeffrey's comments on Monday!
