Tell Jeffrey is is a raw image of my pencil sketch that I still need to clean up and colour. He should be able to see what designs I am thinking of and if he hates it I can stop and do something else! Hopefully he will like it and I carry on with the colouring!

Dear [REDACTED]

I think I have got an idea but it  
is quite radical for Great St  
James! I will need this weekend  
to complete the sketch idea and  
hopefully get it scanned and sent  
over for Jeffrey's comments on  
Monday!
