Hi Dawn and thank you for calling Dornbrecht. I think Plumbtile  
needs to provide a tax ID to fed ex in order to get through  
customs. I could be wrong but maybe call fed ex and ask what they  
need from you (the importer). ? [REDACTED]

HI Dawn...I just looked at the fed ex tracking information again and the package is awaiting clearance instructions from the importer (you)...Says you need to provide the required registration/identification number...examples: EIN, SSN, VAT, GST, etc.  
Hoping you can help resolve this issue!
