Bella! Can you do me a favor! I am still driving home from the generator place Rich needed me to go to. We need a Fed Ex pick up label for the faucet that has finally arrived at Plumtile. The pick up address is below. The faucet needs to be shipped to Larry at his home address. If you could give me and Larry the tracking number it would be great!

please send us the label when you have a chance -

our pick up address

Int. Bath & Tile  
7256 Clairemont Mesa Blvd.  
San Diego CA 92111

and I'll let Mary give you all the info. for the size of the box -

thank you

dawn
