Hi,  
Just spoke to Jeffrey, good chance we will leave Palm Beach Friday morning fly to LSJ and return to Palm Beach Friday night, then Monday morning we will head up to New York, I'm only assuming it's best to FedEx overnight for Thur delivery, so I can have the Fossett on the airplane to Jeffrey to see Friday morning just my opinion,, send it however you feel is necessary

Thx

Bella! Can you do me a favor! I am still driving home from the generator place Rich needed me to go to. We need a Fed Ex pick up label for the faucet that has finally arrived at Plumbtile. The pick up address is below. The faucet needs to be shipped to Larry at his home address. If you could give me and Larry the tracking number it would be great!
