Did JE requested subscription ? We cancelled same subscription a few weeks back as kit was not ready yet and they had no idea when it will be available.

Thank you,

Bella

Hi Bella...you will see an Amex charge for \$399 ...it is for "Biome testing" it is some sort of kit being sent to JE through Deepak Chopra from CA...it could state it is a "micro biome kit"...not sure...but wanted you to know..I gave the CC # today to Deepak's office.
