Hi there

I have reached out to the surveyor directly and have requested he send to you directly any concerns let me know  
regards Brice

Dear Brice ad [REDACTED]

Looking forward to receiving the DWG of Great St James ideally in AutoCad version 2007.

Best

John

John, Brice, our island manager is working on this for you...below is his reply...he is ccd' here as well.

Let me contract surveyor and forward directly as I don't have the capacity to receive or forward such large files

Dear [REDACTED]

Can you please ask your surveys for the DWG file of Great St James? I have Little St James in DWG but not Great St James. I have it in PDF and I am currently using it, but need the DWG to measure things.
